John "Hannibal" Smith	The A-Team	Team Lead/Master of Disguise	The leader of the A-Team, he is a brilliant tactician and a master of disguise. Hannibal is distinguished by his cigar smoking, black gloves, disguises, and his catch phrase, "I love it when a plan comes together." Always "on the jazz" (a phrase coined by B.A., meaning that Hannibal thrives on adventure and life-threatening situations), he seems to genuinely enjoy every situation they get into. He also works as an actor, playing monsters in low-budget horror movies.	(123) 456-7890	hannibal@a-team.com	<a href="#">Link to Online Bio</a>
Templeton "Face" Peck	The A-Team	Con Man/Scrounger	Suave, smooth-talking, and hugely successful with women, he serves as the team's con man and scrounger, able to get his hands on just about anything they need. Effectively second in command behind Hannibal (although Murdock outranks him), he is the one who arranges for supplies, equipment, and sensitive information using numerous scams and hustles. Bosco Albert ("B.A.") Baracus	The A-Team	Head Mechanic/Pitier of Fools	A highly-skilled mechanic and the A-Team's regular Mr. Fix-It. He is a skilled fighter and is easily roused to anger, earning him the nickname "Bad Attitude". Despite his reputed attitude, he is a nice guy at heart. He has a special fondness for children and never drinks alcohol, preferring milk instead. He is most upset by Murdock, frequently referring to him as a "crazy fool". He suffers an intense fear of flying, especially when the plane in question is flown by Murdock. This difficulty is often overcome by other members of the team drugging him, or otherwise rendering him unconscious, so he can be transported without objection. H.M. "Howling Mad" Murdock	The A-Team	Helicopter Pilot/Invisible Dog Owner	The best chopper pilot of the Vietnam War, Murdock is either mentally unstable or exceptionally good at pretending to be so. Although he was their pilot on the Hanoi bank raid, he was not officially part of the A-Team and so not tried by the military. Though interned at a psychiatric hospital, he routinely escapes to accompany the A-Team on their missions. The symptoms of his "insanity" varies from episode to episode, but generally includes self-identification with fictional characters, hallucinations, belief in the "intelligence" of inanimate objects, among others. He frequently refers to his invisible dog, "Billy".	(123) 456-7887	murdock@a-team.com	<a href="#">Link to Online Bio</a>
General Hunt Stockwell	The A-Team	Boss/Blackmailer	The A-Team's boss during the final season, who blackmailed the team into working on an undefined number of top-secret government missions in return for their supposed eventual pardon. He is mysterious and unpredictable, with the team often feeling that he is just using him for his own gains, leading them on with undefined terms for their supposed pardon. Often Stockwell will send the team out on various missions, usually contacting them from his luxury jet, but occasionally will take a more hands-on approach. His catch phrase was "(I'm going to do this...) My way."	(123) 456-7886	hunt@a-team.com	<a href="#">Link to Online Bio</a>
